Purusharth

To help you in Purusharth, we offer 3 gifts:

1. Access to unlimited audio/video/pdf **RESOURCES** on website.
2. Write Daily Letter पोतामेल to Shiv Baba using our **Letter to God** form (*new service*)
3. Read Hindi and English **General Articles** which are a great help.

Do take some time to learn about the Self (Who am I) and to know our long lost and now found Spiritual father (God), & experience direct connection and relationship with God?

This is the only time to get our inheritance of peace, purity and prosperity from our eternal spiritual father (Shiv Baba). He has come to 'transform' the old world (Kaliyug) and re-establish the new world (Satyug). To help Shiv baba in this task of 'Transformation', we first have to transform our own 'Sanskaras', becoming pure and virtuous and giving this Godly message to all souls in every way possible.
